Ed Skiffington Alumni Field LEGACY CAMPAIGN

The Legacy Campaign is an alumni/community based project focused on the development of a multipurpose field at Moncton High School. The initiative is an effort to meet the needs of a growing community, one that is very involved in youth, fitness, and active living. The project involves the addition of an artificial turf field, allowing us to play, practise, and hold events at our school. It also involves a scoreboard, lighting, field house and bleachers.

Together we can build a new home field for the Purple Knights, a new turf field for local sports organizations and an exciting addition to our community's hosting capabilities.

Alumni and community support is critical to making this dream into a lasting LEGACY!

Our Goal:
\$2.25M

Currently
(\$1.6M)

For more information or to donate, visit <http://www.mhsfield.com/> or call (506) 856-3439.

KNIGHTS

Monthly/Annual Giving

With this option, donors have the ability to give over the life of the project, which ends on November 30, 2024. This way of giving is strongly encouraged as it allows community members and alumni to give more generously in an ongoing way either monthly or yearly during the lifetime of the campaign. A donor might decide to give \$20 / month over the lifetime of the campaign, during which time the money would automatically be charged to their credit card. All donations are tax deductible and options to make donations anonymous can take place as well.*

Sponsor our Seating

Donors can choose this option in which they can pay \$250.00 or more to sponsor the seating for the new field. Donors that sponsor the seating will have the chosen name on a nameplate and included in a display on location at the field that will include all seating sponsors. Seating sponsorship can also be purchased under any name the donor chooses.*

One-time Gift

This option allows our alumni and community donors to feel part of the project regardless of the size of the donation. All donations are valued and appreciated and are an important and integral part of the success of our campaign. If every alumnus over the eighty five years of Moncton High School's history gave a modest contribution, we would make our Legacy Campaign goal with ease.*

Major Gifts

We have alumni and community members that have the means to support our Legacy Campaign through Foundations, Corporations and personally. If you are an individual that can give in this way you are encouraged to connect with Principal Mike BeLong at belonmia@nbed.nb.ca so he can explain what major sponsors will receive for their support.*

*All donations are tax deductible and options to make donations anonymous can take place as well. Accounting Operations requires a minimum contribution of twenty-five dollars to issue a tax receipt.

For more information or to donate, visit <http://www.mhsfield.com/> or call (506) 856-3439.
